ReSFairtel 4-23-70 captioned "Black Panther Party (BPP),
Los Angeles Division, RM - BPP."

Reairtel set forth information from SF 3215-R* concern-
ing a contact of Jean Seberg, the movie actress, with Elaine
Brown and Raymond Hewitt of the Black Panther Party (BPP). Elaine
Brown reported a recent birth of a child fathered by Raymond
Hewitt. Seberg indicated she was four months pregnant by Hewitt.
The situation appears exploitable under captioned matter.

Submit your recommendations concerning above situation
for a possible counterintelligence effort against all three
individuals and the BPP.

NOTE:

Jean Seberg is a white movie actress who has financially
supported the Panthers in the past. She should be neutralized at
the least. Elaine Brown and Raymond Hewitt are BPP leaders. Hewitt,
despite his efforts with Brown and Seberg, is married to Shirley
Hewitt, also of the BPP. Through adroit handling of the above
information in a counterintelligence effort, we can neutralize
Seberg, cause embarrassment to Brown, Ray Hewitt and his wife, and
disruption in the BPP leadership and ranks through Hewitt's actions
with Seberg.
